Here's what we do, and how you can help:</p> <ul style="list-style-type: none"> • Share your voice: Help us bring parents' ideas and feedback to the school staff and principal. Your input helps shape school programs and activities. • Be part of the fun: Help organize PAC events and activities and take part in learning opportunities for parents. • Get involved: Whether you have a little time or a lot, your involvement makes a big difference in building a strong school community. • Stay connected: We help keep families informed and build strong partnerships between home and school to support our kids' learning. • Find support: We're here to help you navigate the school system and speak up for you and your child when needed. • Support school goals: Through fundraising and volunteering, we help bring great ideas to life — from classroom resources to community events. • Make a bigger impact: You can also join district and provincial parent councils to share ideas and help shape education beyond our school. <p>Next PAC Meeting will be held Tuesday Feb. 10, 2026 (TENTATIVELY) 7:00 pm</p> <p>Please check your school messages in February for confirmation.</p> <p>Here are a few things PAC is supporting for the Eagle Bay Grade 7 Trip</p> <p>Grade 7 fundraisers for eagle bay</p> <ol style="list-style-type: none"> 1. January 2026 - 2 week "change war" between the 2 grade 7 classes. Winning class gets popcorn! (Students will bring in change, to add to their class' jar). 	 <p>This month, our school is focusing on the character trait Truth, a value that shapes not only our classrooms but our entire school community. Truth is more than just being honest; it's about integrity, courage, and authenticity. It means striving to be the best version of ourselves and encouraging our children to do the same.</p> <p>When we practice truth at home and school:</p> <ul style="list-style-type: none"> • We build trust with one another. • We create a safe space where mistakes become learning opportunities. • We empower children to value honesty and take responsibility for their actions. <p>Connecting to Indigenous Teachings</p> <p>Truth is one of the Seven Grandfather Teachings, which guide us in living a good life. Truth reminds us to be true to ourselves and others, and to live with honesty and integrity. Sharing these teachings with children helps them understand that truth is not just about words, it's</p>
